1. How is God pruning you to make you more fruitful?
2. What are you actively doing to love others?
3. What does it mean to you that Jesus calls you “friend” and not “servant”? (15:15)
4. How does knowing you have been chosen/appointed to bear fruit motivate you? Or do you see it as an excuse for inaction?
5. How do you listen to the Spirit’s leading when it comes to verbally testifying to the world about Jesus?
