Faithful Witness

People who hear testimonies from Faithful Witnesses question whether what is being shared is possible for them. But first they want to know whether it's real, and whether it's true.

Faithful Witness

People who hear testimonies from Faithful Witnesses question whether what is being shared is possible for them. But first they want to know whether it's real, and whether it's true.

It is becoming increasingly challenging to know what is true.

Faithful Witness

We need to understand people's thinking about their questions of what is true.
